

# 2017 TOP TECHNICIANS

Technicians play a key role in the successful delivery of MTM services. To celebrate technicians' contributions, OutcomesMTM is recognizing high performing technicians from each region: West, Central, Northeast and Southeast.

Winners were selected based on the following evaluation criteria:

- > Number of logins to the OutcomesMTM platform
- > Number of claims documented under his/her personal account
- > Percentage of the pharmacy/MTM Center's total claims submitted by the technician
