EACH YEAR, OutcomesMTM recognizes individual pharmacies and pharmacy organizations with exceptional performance in delivering MTM services to eligible patients. Providers in the Personal Pharmacist™ Network—from independent pharmacies to regional organizations to those with a national presence—prove community pharmacists make a difference for patients every day. Top MTM Center, Top Pharmacy Chain and Top PSAO awards are based on the organization’s overall effectiveness in delivering CMRs and resolving drug therapy problems through TIPs. Being named one of the best in the industry’s largest, most engaged provider network is a testament to these organizations’ outstanding work.
